Counties included in Western Slope: Mesa, Eagle, Summit, Garfield, Lake, Gunnison, Montrose, San Miguel and Delta Counties

This table shows the relationship between the available labor pool and current employment in the key occupations. This can also be understood as the shortage or surplus of labor in each occupation. The average and percentile salary ranges are actual wage levels for those occupations, across all industry groups within the regions. In the table above, the wage rates highlighted in yellow represent wage scales which may have to be paid to new hires based on low or high regional demand for each of the key occupations.
